

Update #62

The views, opinions and commentary in this update are those of Congressman Red Corn. They are his alone, and do not necessarily represent the views and opinions of the Osage Nation Congress.

Initial Capital Contribution cut by 2/3

Congressman Kugee Supernaw's amendments to ONCA 08-30 passed today, effectively cutting 2/3 of the original capital contribution to Osage LLC. Six members (Congresspersons Supernaw, Shackelford, Anderson, Branstetter and Simms and Revard) voted to reduce the appropriation by 2 million dollars. Five members voted against the reduction (Congresspersons Red Corn, Edwards, Red Eagle, Atterberry & Freeman). Speaker Mason was absent.

My personal email from constituents was over 10-1 against the cut (and for full funding). The bill will come up for final vote next Tuesday.

With respect,
