Re: CV-005500-ECH

To All Concerned Osage Shareholders:

On the reverse side of this letter is a brief summary in the above styled case which will explain the reasons the Petition for Intervention was filed.

While Mr. Brickell was disqualified by Judge Hewitt to represent the intervenors in the case, the interventors were given an extension of time to retain other counsel. The intervenors have retained counsel and are at this time asking for your help. Any donations and/or pledges you feel you can contribute would be greatly appreciated.

Your donations/pledges can be mailed to the following:

“Concerned Osages”
Osage Federal Savings & Loan
P.O. Box 26
Pawhuska, OK 74056

Any questions or responses may be made to the above address and addressed as “Concerned Osages.”

Sincerely,

Cora Jean Jech
