Larry Echo Hawk
Assistant Secretary BIA
United States Department of Interior

Mr. Echo Hawk,

As secretary of the Osage Shareholders Association, I would like to bring to your attention the resolutions this organization has presented to the Superintendent of the Osage Agency in Pawhuska and received no response.

<http://www.osageshareholdersassociation.org/resolutions/index.shtml>

09-006 Resolution of the Osage Shareholder's Association Requesting the Osage Minerals Council Demand the Next Mineral Council Election Be Conducted Under the Auspices of the Bureau of Indian Affairs

Resolution 09-006 requires immediate attention as the Superintendent requires the permission from the Osage Principle Chief James Roan Gray to comply with the wishes of our organization and the Osage Mineral Council. Chief Gray stated at a Mineral Council meeting in April that he would request this assistance from the BIA but so far has failed to keep his word.

The Shareholders of the Osage Nation need your attention to this and many other matters.

Thank you,
Roy C. St. John
Secretary of the Osage Shareholders Association, Inc.
